

ASHEVILLE BUNCOMBE COMMUNITY CHRISTIAN MINISTRY (ABCCM)

ABCCM is generously supported by over 289 churches of all denominations and 6,100 trained volunteers and provides emergency assistance to anyone in need regardless of race, color, national origin, sex, age, religion, or disability. ABCCM stimulates doing together what individual congregations and individuals cannot do separately. While responding to meet emergency needs, we develop strategic plans to address root causes of poverty, take steps to achieve independent living skills and restore lives in the community. We accomplish this through these ministries: Crisis Ministry, Jail/ Ministry, Veterans Restoration Quarters, Steadfast House, Medical Ministry and Veteran Services of the Carolinas.

Ministering To Families In Crisis

Many of our neighbors live paycheck to paycheck, making difficult choices on a daily basis between rent, utilities, food, health care, day care and so much more.

An unexpected expense can throw these families into financial crises. When that happens, people turn to the ABCCM Crisis Ministry for help. This ministry serves the low-income citizens of Buncombe County who are facing financial emergencies and are struggling to meet life's basic needs.

Each day we see people who are working in one or more low-wage jobs, the disabled or elderly who are living on fixed incomes, and those facing increasing costs of living, stagnant wages and a lack of affordable housing. We provide them with food boxes, gently used clothing, utility and rental assistance; and a hot meal in our soup kitchen. With your support we will help ensure our families can provide a home for their children.
